

SLH • LAKEVIEW HOTEL YULONGWAN KUNMING

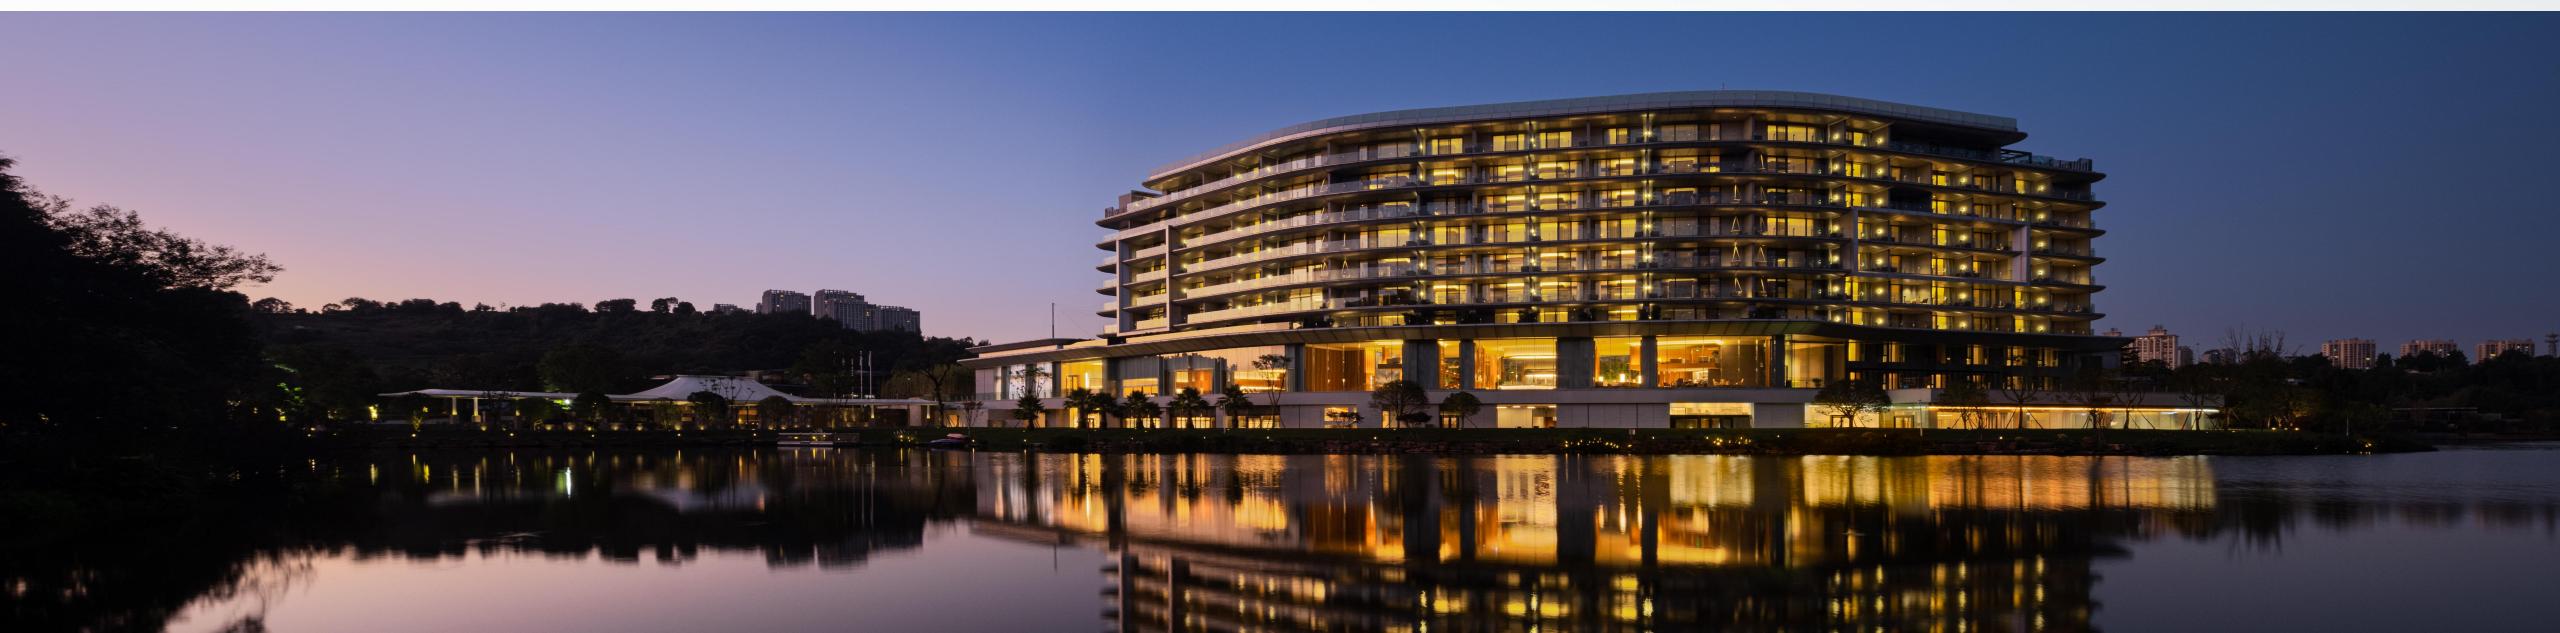

SLH • LAKEVIEW HOTEL YULONGWAN KUNMING

HOTEL INTRODUCTION

HOTEL INTRODUCTION

The hotel is invested by YMC Co., Ltd., and is a part of Yulongwan Resort. It plays a significant role in the development of a travel and cultural service system within Yulongwan Resort, focusing on a comprehensive tourism industry that includes sports and health, tourism and leisure, as well as wellness and retirement.

The hotel is surrounded by lake on three sides, with a core area of approximately 11.5 acres on a peninsula, relying on surrounding 63 acres of lake and 165 acres of native forest. With a total construction area of 22,500 square meters, it is a high-end luxury resort hotel that integrates tourism, parent-child vacation, dining, entertainment, business, and lifestyle experiences. It is also the first member hotel of the Small Luxury Hotels of the World (SLH) in Kunming, showing your noble value in luxury and elegance while embracing the joyful spirit of mountains and lakes.

BRAND PHILOSOPHY

BRAND PHILOSOPHY

Seclusion in the wild of oriental living philosophy

- Upholding the philosophy of oriental living, which advocates for a natural, calm, simple, and joyful style.
- It aims to create a “lakeside home” as a resting space for travelers “on the road” .

The modern urban paradise water-front vacation lifestyle

- Living by the mountains and waters represents the ideal state of Eastern hermit life.
- The openness of natural vistas reflects the philosophy of living in harmony with nature.

HOTEL DESIGNER

DESIGNER INTRODUCTION

Norihiro Shinya

A first-class architect from Japan and a first-class construction management engineer, graduated from the Architecture Department of Meiji University. In 1987, he joined the renowned Japanese interior design company Super Potato, where he served as Vice President starting in 2006. In 2018, he established Shintani (Shanghai) Interior Design Co., Ltd.

HOTEL DESIGN

The architectural design of the hotel is led by the Canadian firm ‘CENTALAND’ , while the interior design is primarily undertaken by Norihiro Shinya, the former Vice President of the Super Potato design company in Japan.

DESIGN INSPIRATION

Upholding the philosophy of oriental living, which advocates for a natural, calm, simple, and joyful style.

It aims to create a “lakeside home” as a resting space for travelers “on the road” .

From controlling the atmosphere of the environment to planning the details and providing a deep experience of the local culture, the design interprets the lifestyle of the Hotel—a concept of a “Living Hotel” .
